Experience and Enjoy Various Types of Dance and Modeling.
All Sessions are progressive.

Special Rate: \$49.95 each week

Students will learn the fundamentals of various types of dance. The classes will include instruction on technique and showmanship required for a strong performance. Classes are great for both males and females. Courses will focus on Irish, tap, clogging, hip-hop, ballet, pom-pom, jazz, stretching and nutrition. The sessions will also include different types of modeling including runway, pageant, photo shoots, and mannequin. The classes will study clothing, hair, and make-up styles for various looks and occasions. The course offers information on nutrition, poise, posture, and manners. Everyone will learn how to audition all medias. This course is for anyone wanting self-improvement and a chance to break into the modeling industry.

Let Us help you reach your full potential.
We work to help you improve for maximum success.
